  - Anne Heuperman is organising a clothes swap in October, helpers to contact Anne via email (<u>anne.heupermann@gmail.com</u>) or via Plasticwise Facebook page;
  - Lily thanked Sarah for all her contributions to SUO as president and her environmental work in many different forums including as a councillor.

#### **Treasurer's Report:**

(Michelle Kent, read by Sarah Nicholas on her behalf)

SUO had a quiet year financially due to Covid and subsequent difficulty mobilising the organisation and working within restrictions. We started with a balance of \$4947.08 and have spent \$2,872. We've made \$725 this year in memberships and fundraising via Lily's contribution at the Human Rights night.

Most of the spending was on Ric's videography for the Climate Flash Dance, which we were able to allocate to a portion of the Skills Workshop grant that we were unable to fully action due to Covid restrictions.

Remaining expenses went to finalising the Community Garden wicking beds - a grant received in 2019/2020, finalising the Event Waste Toolkit, and administrative expenses.

It's been a pleasure working with SUO first as Secretary and then as Treasurer since its inception in 2018. I look forward to being further involved when we eventually return to Bright.

## **Any other business:**

Sarah Nicholas: There is a **motion to the AGM** that we introduce structured membership fees; \$20 individual/\$50 business/\$10 concession (eg students, low-income, elderly) If a donation is made over and above the minimum fee, the member can choose where the donation will be allocated to. The standard fee will go towards operating and administrative expenses for SUO.

Michael Block queried that there had been no reminders for membership renewalfor more than a year. Monica Omodei responded that members will get reminders about renewals of memberships once the online membership form has been changed to reflect this new fee structure

Brian commented that as a new member when he discovered SUO and went to the online membership form that lack of a set fee in the absence of context was confusing.

Jennifer Showers moved that this motion be accepted, Dennis Lambert seconded the motion. The motion was carried.
